ECHS STRATEGIC PRIORITIES FOR 2022-2023

Priority 1: TEA ECHS Blueprint Benchmark 1 – Target Population

As a campus we continue to struggle to recruit certain groups of students. This will continue to be a focus for us as a campus because of the desire for the ECHS campus to accurately reflect the demographics of the district and our community.

Priority 2: TEA ECHS Blueprint Benchmark 4 – Curriculum & Support

As a campus we will continue to develop and implement interventions for students who are struggling academically, socially and emotionally. This will contribute to our success by supporting struggling students and being able to retain them from grade to grade.

Priority 3: TEA ECHS Blueprint Benchmark 5 – Academic Rigor & Readiness

We continue to strive for every student to be TSI complete by the end of their junior year. This will contribute to our success so that we are able to reach every measure for the attainment and achievement OBM's.
