

ECHS vision for 2018-2019

ECHS is dedicated to creating a strong and influential college bound culture with high expectations for all students who walk the hallways of West Oso High School. This community of learners will be highly engaged in a learning experience that encompasses a rigorous curriculum and the building of supportive networks. It will provide students with a unique educational opportunity to attend both high school and college in a special campus environment that will challenge students to excel in their academic and personal endeavors. Most importantly, ECHS will cultivate independent and responsible 21st Century leaders who will pursue the good in their community for years to come, who have courage to face the future, and who will be stewards of success.

West Oso ECHS

Early College High Schools are innovative high schools that allow students, who are least likely to attend college, the opportunity to earn a high school diploma, as well as, earn college credit hours.

Purpose

- Reduce the barriers to college
- Increase college readiness
- Save parents and students' time and money
- Increase graduation rate
- Earn up to 60 college hours

College Pathways

- Associate in Arts Degree (Liberal Arts)
- Process Technology Level 1 Certificate: Industrial Instrumentation Installer

College Readiness

Dual credit course eligibility is determined by meeting score requirements of the TSI. The TSI Assessment is part of the Texas Success Initiative program designed to help your college or university determine if students are ready for college-level course work in the general areas of reading, writing and mathematics. Your TSI score determines what type of course or intervention will meet your needs and prepare you for college-level course work. Students are considered college ready when their TSI scores in the respective subject areas meet or exceed the scores below:

Reading 351 | Writing 4/340 | Math 350

ECHS Class of 2022 Expectations for West Oso ISD and Del Mar College

Be prepared and on time to all classes
Exhibit exemplary attendance, behavior, and grades
Actively participates in all classes
Rise to your greatest potential and be determined to overcome all challenges
Seek and pursue the knowledge and skills to be successful

ECHS 2018 Summer Bridge

Working closely with Del Mar College and our Community Partners, this Summer Bridge will focus on College and Career Readiness Skills. Students will...

- Experience the rigor of college and high school.
- Focus on enhancing reading, writing, and mathematics during their Morning Academic Sessions to ensure students pass all parts of the TSI by the end of Summer Bridge.
- Enhance their college readiness skills with enrichment activities in the areas of English, Math, Science, and Social Studies during the Afternoon Enrichment Sessions.
- Practice their time management skills by balancing homework with projects and activities.
- Enrich their college experience with Del Mar College and Community Partners' lessons and activities.
- Enjoy a tour of Del Mar College East and West Campus to begin their college experience.

100% Attendance and Participation is highly expected of all ECHS Students. Upon completion of our Summer Bridge Program, students will be ready for their next four years in ECHS!

"Enrich your knowledge, embrace your challenges, and inspire others with your success!"
